**Mile 2:** East edge of sidewalk 64' North of street light on northeast corner of Garnett Place

**Turn Point:** Center of path 49'8" S of 1<sup>st</sup> light post N of silver electric vault and 45'8" N of 1<sup>st</sup> light post N of garbage cans and bike rack (Fig 2)

Mile 3: East edge of path 114' south of light post at gravel path entrance to comfort station

**Finish:** Center of gravel path 47'7" N of light post by silver electric utility vault and 33'11" NW of 4<sup>th</sup> light post N of S end of parking lot (Fig 1)

Measured by Winston Rasmussen September 2, 2016

**Description:** This course starts in the parking lot at Clark Street Beach and loops counter-clockwise around NWU. Runners stay on the sidewalks and the right lane of the recreational path. The finish is on the gravel path in Centennial Park. It was measured along the shortest possible route except for the path segment between Campus Drive and the turn point near Davis Street.
