PROGRAM AD BOOK REQUEST

Dear Friend,

Your sponsorship at our May 11, 2024 Spring Gala is critical to us continuing our work. This is a significant annual fundraising event for NAMI CCNS, and we need your support.

All the NAMI CCNS services are free of charge. Our goal is to remove every barrier that may face a person seeking assistance with a mental health challenge. We do not want anyone to be barred from receiving help due to financial concerns. NAMI CCNS relies upon people like you to provide these free mental health services.

NAMI CCNS provides peer-led programming that takes the form of a wide array of support group opportunities and educational outreach. Here's a brief summary of our program outcomes:

- NAMI CCNS had more than 3,372 members engaged in an array of support groups.
- NAMI CCNS had more than 89 families in our cornerstone Family-to-Family program.
- NAMI CCNS served more than 3,500 students through educational programs.
- NAMI CCNS impacted 3,200 High School students through our Go Lime Green suicide awareness program.
- NAMI CCNS had nearly 1,048 people registered for our free webinars and lectures.
- NAMI CCNS served more than 450 people via our LIVE resource line which is open daily.
- NAMI CCNS had nearly 276 veteran members participating in guided support groups.
- NAMI CCNS presented to 484 individuals our "Ending the Silence" stigma breaking program.
- NAMI CCNS presented to 173 people our "In Our Own Voice" storytelling program.
- NAMI CCNS trained 52 professionals in the Youth Mental Health First Aid program.

Please, partner with us today – we need your help to make certain those most vulnerable in our communities get the services they need.

Thank you for your support!
